

# « Dansons à Vienne »

Partition rythmique vierge

Introduction  
musicale

9  
sec.

The image displays a rhythmic notation grid for the song « Dansons à Vienne ». It consists of eight horizontal bars, each divided into four segments of eight squares. The segments are color-coded: the first and third segments are light purple, the second and fourth segments are light grey, and the fifth segment (which spans across the boundary of the second and third segments) is dark blue. A red arrow points to the first bar, indicating the start of the 9-second introduction. The grid is designed for a 9-second duration, with a 1-second gap between the end of the introduction and the start of the first bar.
